From what I have
read, there seems to
have been a time
when travel between
the Multiverse and
the planet Earth was
more common.

Seems that there
was an incident were
some Multiverse
Travelers brought
back a deadly plague
that swept all the

different districts of
the Multiverse with
(what I assume) a
“Wokeness” Disease.
This effected entire
spheres with an
altered mindset that
made them very
sensitive to hurt
feelings, a tendency
to be way over polite
and bad tempted.
Those who seemed to

summoned the local police, preventing me from returning to my no-star hotel down by the docks; I came across these books in an otherwise vain attempt to find some reading materials.

You might figure that a library would have at least one "Sports Illustrated" or even a

You and me figured
that one wrong and so,
I started reading these
journals mostly as
they had a big, red
stamps of the book
being “BANNED!”

So, that’s my story and
like Brother Jimmy B.
always reminded us:
“I’m sticking to it!”

The rest is on you!
